

Sabre Virtually There

Keep your customers connected to their travel plans and loyal to you with *Sabre Virtually There*.

With *Sabre Virtually There*®, you can provide real-time, valuable travel information to your clients 24 hours a day, seven days a week. With this innovative tool, you can email hyperlinks to itineraries, electronic ticket receipts and other travel information directly to your clients, adding even greater value to the quality services you already provide.

Virtually There is branded with your agency's logo, contact information and marketing message. When you provide your clients access to the *Virtually There* site, they see it as a value-added service that sets you apart from your competition. It increases customer retention and satisfaction.

information, such as weather updates, online maps and driving directions, restaurant guides and more.

Start using Sabre Virtually There today

There is no charge for you or your customers to experience the benefits of this great service.* Visit www.virtuallythere.com/agent for full details on how you can make Virtually There work for you, including how to customize itineraries with your logo and marketing message.

Boost customer loyalty

You'll stay in your customers' minds anywhere they go, as they can download trip plans to their calendar and retrieve their information via cell phones and most wireless handheld devices. They can even receive instant notification of flight changes and cancellations. They'll love the mobility and instant information that you deliver with every trip.

Save time

With one simple format, you can send itineraries and other valuable real-time travel information to your clients. They get anytime, anywhere access to graphical itineraries and vital

No more faxing itineraries. Just use 'EM' in the Sabre system to e-mail itineraries to your customers.

* Ad-free version, including a text-based itinerary in the body of the e-mail message, is available at a small cost
